

TOGONON GALLERY

PRESS RELEASE

San Francisco, California, August, 2009

Group Exhibition

“Liberating Landscapes”

Paintings and Photographs

Artists featured: Kristen van Diggelen, Tomashi Jackson, Bernardo Poggi Leigh, Klea McKenna, Ben Needham, Jackson Kyle Patterson.

Exhibition: August 6-27, 2009

Opening Reception: August 6, 2009, 5:30-7:30 pm

Togonon Gallery is pleased to present four painters and two photographers in a summer exhibition that explores the ways in which artists immortalize the world around them.

Like historians, artists create representations of reality. Over time these representations replace memory and become reality. In this show, each artist depicts a landscape through either a literal, figurative, political, or personal lens, and finds various ways of preserving memories within his/her art.
